HOMES

Entry Form

Entries will be accepted for school and community spaces inside Shropshire. They must not be a commercial, private or business space.

The garden design is for any space small or large. It does not need to be professionally produced - just draw away!

The design should be, where possible, eco-friendly and use recycled materials and not include elaborate water features or ponds.

**Closing date for entries:
12pm on Friday 19th June 2026.**
